

MERJE SALARY BENCHMARKING

Step One: The Criteria

We'll discuss with you exactly what your requirements and expectations are for this exercise. We'll gather all the information we need from you to get started.

Step Two: The Data Gathering

We'll allocate a team of dedicated resource to carry out the survey, utilising leading tools and innovative techniques to generate responses and gather data...

Tools & Data Sources

Our team will use the best recruitment, marketing and analysis tools and techniques to gather wide-reaching, relevant and accurate data.

This includes third party technologies as well as data from MERJE's internal database and previous salary surveys / market insight reports.

Step Three: The Report

We'll present a tailor-made report to you, detailing our findings across the agreed criteria and equipping you with all the insight you need to achieve your goals.
